WORK HISTORY

Internships

03/2018
Dai-ichi Seiko - Tokyo, Japan

- Conducted a research primarily about *Marketing Automation* and gave a final presentation based on the research.
- Participated in business meetings of the global marketing team.

01/2020 - 07/2020

JPholic Inc. - Tokyo, Japan

- Launched a new social media community for contents marketing.
- Planned and created multiple contents.
- Data analysis and trend research for community building and development.
- Reached **10k+ followers on TikTok**, and **2500+ followers on Instagram** after about a month and half of launching a new community.
- Website designing for E-Commerce.

Part Time Jobs

02/2016 to 07/2017 **English Instructor**

Inter Tomas - Tokyo, Japan

- Gave lectures to students with a wide age range (3 to 35).
- Created new lesson plans based on course objectives.
- Planned and executed activities to promote reading, listening, writing and speaking development.

01/2017 to 02/2018 **Freelance Translator**

LineGate - Tokyo, Japan

- Translated and transcribed 2-3 hours of interview recordings, conducted in English, Japanese, and Korean, within a designated period of time.

09/2018 to 03/2019 **English Speaking Staff**

English Conversation Cafe & Bar ANNEX - Tokyo, Japan

- Made and served drinks to the customers.
- Taught English to the customers/students as casually having conversation with them.

On the store website, a manager describes me as follows:

「ある日いつぼんの電話が鳴りました。電話口で流暢に日本語を話し仕事の募集について語る彼女は3カ国語を操るスーパーガール。とてもきれいな英語の発音で初心者には聞き取りやすく中級者には文法の良い勉強になる。生来の性格が良いのだろう、老若男女問わず人気がある。」

“One day, I received a phone call. The girl at the other end of the line was speaking fluent Japanese and was asking about a part-time job position, and she turns out to be a trilingual SuperGirl. Her beautiful English pronunciation is easy for beginners to understand, and also good for intermediate-level learners to study grammar. Also because of her nice personality, she is popular amongst many customers regardless of age or gender.” (English Translated)

COMMUNITY INVOLVEMENT & LEADERSHIP HISTORY

“HANPYEON”

- Member of HANPYEON, the content creator community
- Team leader for HANPYEON editorial team in 2018.
